<sup>1</sup> Basic hardware support is covered by the maintenance agreement. However if any issue goes beyond a “basic” level, an hourly charge will occur with your permission. If more “expert” help is needed, the SSCI support staff will direct you to one of our Third Party Hardware partners at your cost or we can help direct your I.T. personnel with your issue.

<sup>2</sup> A license is required for each PC on which the software is to be used. The initial price of the software includes the license for 1 PC.
